

Bayshore Solutions Grows Atlanta Office

(Atlanta, GA) Bayshore Solutions welcomed four new Regional Directors to its Atlanta office. Bayshore Solutions (www.bayshoresolutions.com), an internet strategy firm with headquarters in Tampa, FL and regional offices in Ft. Lauderdale, Atlanta, and Dallas, has recently been expanding to accommodate a growing demand for services.

Bayshore Solutions new Regional Directors for the Atlanta headquarters include Alan Jones, Darryl Inlaw, Leslie-Anne McAllister, and Wendy Nix. The new Regional Directors have a diverse and extensive range of experience, from internet marketing and major account sales, internet consultation, and account management, in a wide range of industries including technology, communication, radio, and retail.

“Bayshore Solutions offers clients the chance to expand business through our innovative internet strategies and services. The need for the quality internet business solutions we offer is increasing and our Atlanta office expansion is a result of the market demand in the Greater Atlanta area,” said Kevin Hourigan, CEO of Bayshore Solutions. “Our recent recruitment of these new Regional Directors brings to our company an extremely talented and experienced group that will allow Bayshore Solutions to better serve a broader range of clients, and continue to be an industry leader,” said Hourigan.
